# NEWS O.T.

All staff are encouraged to submit stories or ideas for the newsletter to Craig Boche (ideally before the last week of the month).

Below is a list of ideas (suggested by Donna Boos) that staff could write about and submit to Craig for each month's newsletter. Many of the ideas could be submitted by staff others would require the Department Director to update monthly.

1. New programs
2. New staff
3. Updates to current programming
4. Meet the board members/ Beijing the scenes
5. Client/staff success stories- (without identifying details)
6. Outstanding Employee Nomination/ Contributions
7. Employee Surveys- training topics, all staff presenters, etc.
8. Employee quotes- who says this quote?
9. Add OT mission statement
10. Facts about OT and community action
11. Tech updates- how to add referrals to CIS, phone and computer security, new apps for home visitors etc.
12. Updates when pocket change and embrace available

Some of these things could be standard on monthly newsletter say leave pocket change and embrace in one corner and update monthly, etc.

We would love to hear news from everyone in OT.

Craig Boche  
Human Resource Director
