

# Cedar Valley Key Card Program

## How does a key card work?

The Cedar Valley Key Card Program opens doors to recreational and cultural events for limited income families and individuals. A Key Card allows reduced cost or free admission for some community programs and events.

Eligible family members receive a Key Card ID through Operation Threshold. Each family is issued a Key Card at no cost. The Key Card is valid for two years from the date received. Card replacement fee is \$1.00. Key Cards will be issued to an adult household member. The eligible children's names and birth dates will be listed on the back of the adult ID.

## How to apply for a key card?

Households who are LIHEAP (Low Income Home Energy Assistance Program) approved or receiving WIC are automatically eligible for a key card. Households receiving FIP, SSI, Food Stamps or Medicaid (Title 19) will need to provide proof of assistance (current award letter, copy of food stamp/EBT card, or a copy of Medicaid card).

Households who are not receiving assistance from any of these programs can call Operation Threshold 319-291-2065 to apply for one. You will need to provide the following in order to be eligible for the program: Social Security cards for all household members, income verification for all household members to determine eligibility.

## How do I find out about eligible Key Card Programs?

Due to the types of programs involved, some may have limited availability, meaning there may be a limited amount of seating or space available. Information on individual programs can be obtained by contacting the individual programs. We are currently gathering a list of places that are participating in the Key Card Program.
